Now there are two kinds of houses. You may build a good house or a sorry house. It all depends on whether or not you put God in your Bldg. Whether you build by the plan in the sky. Whether or not you build by the Master's plan. An individual matter.

ONE small life in God's great plan,
 In any political plan How futile it seems as the ages roll,
 form there are planks Do what it may or strive how it can,
 In your plan of life To alter the sweep of the infinite whole!

 are going to talk of But the pattern is rent where the stitch is lost,
 those plakks which w Or marred where the tangled threads have crossed
 should put in our Bld And each life that fails of its true intent

You young people are not asked to put your bodies in the Miss. levy to secure it in favor of the river gods but you are to give your living bodies in service to God so that they may be built into a vital Christianity that will ever be a tower piercing the skys watching the enemies action enabling the army of Christian people to hold the enemy back from human hearts.

want

Now my young friends, if you want your lives to be made up with these elements of honesty, obedience, and sacrifice you may have them thus by putting God in them—that is to say you will have them thus if you will build your life on earth by the plan in the sky.

"The woods were dark and the night was black
And only an owl could see the track.
Yet the cherry driver made his way
Through the great pine wood as if it were day.

I asked him, "How do you manage to see.?"
The road and the forest are alike to me
To me as well, he replied, "And I ~~can~~
Can only drive by the light in the sky."

I looked above where the tree tops tall
Rose from the road like an ebon wall
And lo a beautiful starry lane
Wound as the road wound and made it plain.

And since when the path of life is drear
And all is blackness doubt and fear
When the horrors of midnight are here below
And I see not a step of the way to go
Then ah then I can look on high
And walk on the earth by the LIGHT in the sky.

~~XX~~
AND SINCE WHEN BUILDING MY LIFE HERE-AND NOW
AND TO KEEP ~~MY BUILDING~~ ~~MY BUILDING~~ ~~MY BUILDING~~ SYMETRICAL? I
KNOW NOT HOW
THEN AH THEN I CAN LOOK ON HIGH
AND MAKE MY BUILDING BY THE PLAN IN THE SKY.
