II. we are to witness by what we do.
to let our lights shine

Jesus rebuked some pharisees in this day
not because they failed to teach the truth
but because they failed to live it. "Don't
do as I do but as I say do" some say

they pointed to the spring but did not drink
there -

they said, here is the road but did not travel it
they called the stations on the way to the
city of God but failed to visit those stations.

why tell your son to read the Bible if u read it not?
" " " " " go to church or church school
if you do not go?

There was a

had.

the communist and dragged shales - Henry
Harkness gave him \$10 to buy shales - "I can
not spend it for shales when we need
literature."

III witness by what we are: Henry Drummond
tells of people in heart of Africa whose faces would
light up when his name was mentioned even
though they never understood a word the
Dr. said - what we are counts

when the lamp of faith burns low - when there
is no horizon in your life where you may
hope for a dawn - where do you turn to have
your faith renewed? to some saint who
lived the truth - that is there

Self, withdrawn from work - paralyzed from neck
down said, "I find my self crushing that I
might let the pain of either ^{because} I have learned so
well how to handle it."

(3)
the Lord indicated here the field of
operation - Jerusalem & Judaea - Home
church

Samaritans - mongrel race - all races
need the Gospel.

To ends of the earth - the saints have
taken their marching orders and we have
a world church -

Do not forget the individual - Some people
are so set in idea of building a new
world that they forget the one essential
in doing that and that is building
a new man.

It is a great program - when we use to
get the dynamic after the Spirit has come
upon us - we can't do it alone neither
can God, whole hearted surrender brings
this power. when we get this power
sin will vanish B4 us as the mist
B4 the morning sun.

a mission man from China - knew more
of that which is Chinese than any
one else at that time - Big oil Co
grinding that and offered him \$10,000
per year to work for them - He refused
and the representative went back and
offered \$20,000, then \$25,000 then asked him
his name salary - He said "your, it offer
of \$10,000 was enough for I only get \$1,200
per year. It is not your salary that is too
small it is your job - I have a bigger
job than you can possibly offer."

Let us pray

Dear Father we would witness for thee to-day
thine strength to do it. For in the name
of Jesus we pray -
