

II-DAY+

Matt-5:45 - Ps. 44:19

Ps. 34:18

we are talking to-day about II-Day plus.
we know that II-Day has come and gone
and what a day -

many questions have arisen since
that historic day -

- a. why has God given us such bad weather
over there?
- b. why did He fight with Israel and
then want fight with us?
- c. Is America really consecrated?

Let us look at the first question -
we read from Jesus own words - "He
causes the sun to rise on the evil and
the good and sendeth rain on the
just and on the unjust"

the laws of nature, which God has
made, are sacred in His sight.
He is not going to permit the fight-
ing among the creatures He has
made to change these laws. The
bad weather over there at the
Invasion Coast came by natural
laws, which if broken would
cause the race to perish. This

The same kind of weather would
have come if there had been no
"invasion".

Now the second question - "why did
He fight with Israel and then
not fight with us? It is obvious
to say that God always appeared to be
with Israel in their battles - for his-
ten to human complaining
back in P.S. 44:5"

"But then hast cast off, and put us
to shame - and goest not forth with
our armies" people have always
blamed God for their reverses.

Then the third question - "Is America
really consecrated to the point that
she could expect God's approval
and protection?"

It is characteristic after hearing a
news reel of the horrors on the in-
vasion coast to hear the announce-
ment "you have time yet to come
to such and such a place for
your dancing pleasure where the
best beer is served".

The people in America - in the
face of our boys dying by the
thousands - are more Hankey
Yank minded - more Cock
Yank party minded - more dence

minded than ever before in
 our history - not satisfied with
 this they are establishing for
 our children "Teen age Cantons"
 and I am told that these are
 nothing but glorified Henky
 rinks or primary departments
 for the full grown road side
 Saloon and Ball room -

(Read some figures from 7B7)
on youth

For adults and youth

Read "Astronomical figures"

A high ranking - American Army
 officer let out valuable military
 information and was demobilized
 and sent home - where was
 he when he made the unfor-
 tunate statement? At a Cook Party.
 Can the whisky head part of our
 country claim God's protection?
 about all the interest some peo-
 ple have in our currency this
 war is that they may be bigger
 miners - higher fliers than
 they have been.

But listen

"The Lord is high unto them that are
 of a broken heart, and somewhat such
 as he of a contrite spirit" P.S. 34

now there - you have heard the
prayer in this church asking
the Lord that the loss of life -
the invasion as possible and
all admit that the losses were
much less than any one ex-
pected -

Carl on D-Day
