The Hard Way

Prov. 13:15

When we speak of way we think of a road — a high way, a rail way etc. a place of travel. We have difficult roads — hard ways to travel but the hardest way is that of the transgressor.

The transgressor must pay

1. For transgressing the laws of the land — it does not matter how well you are hidden you just do not know.
2. For transgressing the laws of nature — teeth — we will say "I do not know why that boot took my loved one," Sil. Albert killed by whiskey men." Filth + epedemic. Loss of sleep — eat wrong —
3. For transgressing the laws of God. Eat the devils food, Breaking up homes — stealing — lying — etc.

There is such a creature as the transgressor the Bible speaks of him. WHO-IS-HE? always the other fellow

a. coca cola + coffee
b. Sunday paper + monday paper
c. Girls visiting cigarettes + old lady lecturing them while she herself was wielding her brush (black gum) in the snuff box.
d. Picture show + Tragedies in daily press.

There are some things about which there is no doubt as to their being harmful.

1. Habitual use of whiskey
2. All night revelings
3. Hate — "The wages of hate".
4. Withholding from God

There is a way that seemeth right unto man but the end thereof are the ways of death — This is the way of the transgressor (deeper into darkness)

There is the Way to life + Jesus who said "I am the way the truth & the life"
