

ZEBEDEE
MAR. I: 20

I47
I76
I89

This is the first we we hear and the last we hear of Zebedee. He is mending his nets. His boys are with him.

Jesus passes by and calls to the crowd and the two Zebedee boys follow Him. By making the start they became prominent. AT TRANSFIGURATION

AT THE CROSS

JNO OUTRAN PETER TO THE TOMB

CHRIST BEQUATHED HIS MOTHER TO JNO

I CAN SEE THESE BOYS GOING WITH JESUS. THEY LIKELY SAID? "FATHER GO WITH US" Christ also asked him I imagine. But he was too busy.

Where is Zebedee's wife? She is with the master. She is called the mother of Zebedee's children. She wanted a place for her boys. The wife and the children have joined the church but where is Zebedee Mending the nets.

He had some good points. He did not fuss at at his wife and children because they went to church. Some men are not so good. "Sunday is only day I am at home I think that you ought to stay with me."

Was there any thing wrong in mending the nets? No
" " " " " fishing? No. The wrong was that he was never with Christ. Many men say go on to church I have got to stay at home and make the living. But his wife and sons did not starve. We need to learn this that a man can make a living and never be a Christian and that being a Christian does not keep us from making a living.

Along with making a living is the making of a life.

He missed so many things.

I. Missed seeing Jesus.

2. Missed hearing Christ. Justin McCarthy tells in his reminiscences of the men he heard speak.

GLADSTONE

BEECHER

HUXLEY

DICKENS

ROBERT BROWNING.

JAMES RUSSELL LOWELL.

3. Never saw Christ do miracles of mercy. Some day He will close off the lights of the heavens, we look for that but healing woman, and the Leper. LAZARUS.

4. Missed seeing the Cross. Wonderful to see the Sphinx. Cross is greater. Christ on Cross Gallilee tumbles.

5. Missed seeing empty grave.

ZEBEDEE ought to be a church member for his wife's sake she traded off her name for his. Susan Miranda and trades for Mrs. Jas. M. Thus and so.

Zebedee ought to be in the church because the Rel function is highest function of the soul.
