

Dec. 21/5

The world loves ex-citement
Here was a day of sure enough ex-cite-
ment. One had risen from the dead.

Around Jesus there is enough
ex-citement for any one, this kind
does not hurt. Yet the other kind &
a day will come - Ory for rocks etc

In this story men who had fished
for men had gone back to fish for fish.
Did not succeed. Thank God.

They talked of Jesus - He appeared
many of us could improve by talking of
Jesus more and of folk less. I have
known people who would say the P.C.
skins pos. too much or too little putting them-
selves up vs Holy Spirit as one to dictate
sermons.

He stood by their tail He asked
"children have you here any meat?"

They had none - There was a reason
Fished on wrong side
