

Mon. 2:15 - Ex. 20:9-10 - Phil. 4:19

travail in birth + certain laws { self oper-
 alive & s -
 always + suffer

"In beginning God" - Not blind chance & "happen so" BUT Intelligence - Holy - all-wise all Love. Real personality. Not change - still has.

All else made, God made man. = 'Good'
Man were wonderful - Heridity, good
environment good.

The Lord God took man - good, wise, wonder-
ful, and placed him. (So many want to place
themselves)

placed him in Warden - Beautiful -

70 Keep and dress it—

Certain laws give out:

a. Do not eat of certain fruit. } man has al-
way been trying
to change these
laws. Pagan-
ism resulted.

b. work six days

c. Rest on seventh

we wonder why there had times, men
made laws. Result { self men } war
{ rule } murder
{ debility } impurity } & press

World Conferences - Call sessions - Quits -
Service for straying members better than at
criticism.

If world would begin doing God's
laws all would be well.

Sunday gas - Evangelize would

God will not save world thru clubs
ad legislation but through the
blood bought Church.

In our darkness & confusion
Jesus at head of His Ch. will be only
Light House.

1. Only Worker who can solve problems
2. Only Leader that can heal a broken
heart.
