

At this first service of our revival I decided to use a subject that is familiar to each one of us here. The subject is SIN.

It is my desire to begin the meeting with this subject and to close next Sunday night with the subject "Does God expect us to live a sinless life?" And can it be done?"

There are six words in this text that set forth its meaning...Wages, Sin, Death, Gift, God, and Life. As some one has said these words are set over against each other in pairs.

SIN	against	God
Wages	"	Gift
Death	"	Life

SIN IS THE FOULEST FIEND OF DARKNESS THAT EVER STALKED OUT OF THE PIT OF HELL TO ATTACK MANKIND. IT BLASTS CHARACTER BLIGHTS HOPE...DESTROYS LIVES...WRECKS HOMES...TEARS DOWN EVERY WHERE IT LAYS ITS HORRIBLE HAND.

Sin is of two types:

- a. Commission
- b. Omission....This may be the most destructive.

What is sin? It is hard to define. Some say the word means missing the mark....rebellion against God....whatever language it is spoken in it has the hissing sound...the sound of the viper...the serpent. Paul feeling for a meaning or definition of sin finally said, "The sinfulness of sin."

*Produce - Leprosy*

It originated after the creation of man....

It is universal....if there were a place in this wrld free from sin we would all pack up our goods tonight and go there

Sin is cruel...It is the worse enemy of the human family. Every evil of man has been caused by sin...every heartache, every tear, every sorrow, every pain of body, all sickness, every war, every broken home, every cemetary, every jail, every gasping, gapping, ghostly, ghastly person on the globe is the fruit of sin.

Sin is the enemy of God...the friend of hell....the destroye of man.

Every man hater...woman hater...God hater...every liar...every murderer...every thief, every robber is child of sin.

God..Let's look at that word....

God means...Music in the sinners ears...love kindness, mercy salvation..fatherhood, motherhood, brotherhood..He has never hurt a human heart, crushed a single life, nor brought tears to a single eye..

Wages of sin...nothing but death

Gift..eternal life

Death....Wages of sin are death, physical, mental, and spiritual.

SIN IS DECEITFUL.....
