II. "But all their works they do to be seen of men."

III. "They love to have the upper rooms at the feasts."

IV. "Ye rob widowers of their houses."

"Woe unto you Pharisees - hypocrites - you shut the Kingdoms of Heaven against men - ye go that in yourselves not suffer them who are even entering to go in."

"How can you escape the damnation of hell?" asked in Councils of God.

1. money will not save you
2. Family reputation will not do it.

There is no escape if we neglect so great salvation.

The only way is to repent and believe on the Lord Jesus Christ.
