

Humanity's Relationships  
To God's will  
Gen. 22: 4-5

The VOICE of God here means His wish or His will. A father complied with that wish - got promise

The race should know something of the will of God.

a. will may = wish

b. will may mean bequeath

your relationship - RUI looking for what you can get? Or do you throw yourself in line with God's wish? (WILLS - how caught)

God's one great wish is that all be saved. what is your relationship to that? when this is done man will trust man - looks - silent city.

God's will limited by man.

- "God wills the death of no man but willed that all men come unto Him and live." U - do - not C - all - at - a - time
- "Jesus could not do many wonderful works in a certain city because of their unbelief."
- "How oft would I have gathered U - - - & U would not."

Salvation = our will with His. our will with God's will = Heaven. our wills against His = Hell.

Our relation to His laws vitally connect with His will.

a. we can thwart God's will by our attitude to - word His natural law. <sup>sun in day</sup> ~~dark from window~~

b. we can thwart His law and yet do His will  
1. the storm - moves by laws that cool us in summer and heat us in winter.

Storm pits - devices to use power of the storm.

you make a machine and like it  
you have a son and you love him.  
you do not want to destroy machine  
because you have son neither do you  
want m - to destroy son.

Our relation should be to lend our  
every effort to live up our selves  
and others with God's work.
