

## Acts 13:46

language = modern Church - Prophets & Teachers

and around that Church there were those who tried to disturb. U - have no trouble with good people.

"So we turn to the Gentiles" we turn from the Jews to a people despised and thought unclean by Jews.

This conclusion not jumped at. It was a result which was the upshoot of other things.

Now let us go back behind the chapter and look through it, we see

1. Thorny pathway. But the Spirit is calling - "Separate unto me Paul & Barnabas for the work I have called them to." Separation necessary.
2. ministering unto the Lord before the journey
3. Fasting was done. Self denial
4. Praying was their sweet privilege.
5. Sent - messenger of God -
6. Went - answered as sent messenger of Jesus.

They did not have sensational success  
Selucia, Cyprus, Salamis, and Paphos - the whole island were visited B.H. any recurring interest.  
THEN just ONE man.

The devil could not endure that so he inspired Elymus to defeat it, thus:

1. Tried to with stand preacher
2. Tried to turn Bergius Paulus from the faith.

El-y-mas met his match in great soul of Saul. Paul told him when to get off. Here he out lived his sinful life.

1. Full of all guile - deceit - treachery - Craft.
2. Full of all villainy - vile - heinous - lawless
3. Son of the devil.

you would not say that Paul was passing high compliments on the fellow nor that Paul was wrong in telling him his measure. He would not have asked Paul to perform his ceremony. Compliment was not any more interesting to him than the post Coral received by a lady from tourist saying "I wish U were here" as the Coral was picture of a cemetery.

This man was stricken blind. you just as well get ready for trouble if U fight the King born.

Paul & Barnabas continued - did not let one man sin to stop their good work. they went to Antioch - sat down in temple - called to speak - gave story of Jesus -

Made good impression - Congregation asked them back again. "Men they did not talk too long." While the brother finishes his prayer let us sing 240 all 7 verses - next Sun. Long crowd - Jews jealous - "So we turn to Gentiles"

The devil could not stand this religious interest - Jesus stirred up women of high rank & chief men of town and persecuted them - threw them out of their houses.

### Result

1. Jesus turned from
2. Disciples filled with joy and Holy Spirit.
