

The Perfect Christ + Perfect Salvation

Heb. 5:1-10

Not long since all great scientists turned their faces toward one of our great cities to see that great performance of pouring the glass for the largest lens in the world.

Doors to the furnace and the great spoons for dipping the molten glass were worked by electricity.

The minute came and it was poured.

1. much preparation was made for this.
2. The cost was \$6,000,000.00
3. It must cool and be polished for some two years.

YET — if there is one flaw in the lens all efforts and money will be lost but if it is flawless new worlds will come into our vision.

Christ

1. much preparation was made for His coming.
2. The cost was tremendous.
3. All the world and the angels watched to see if there would be a flaw

But Jesus was perfect.

1. In obedience

a. at 12 yrs

b. In temptation

c. unto death

2. In offerings.

a. Lamb without blemish for our offering

b. Scape goat - to bear the sins away.

"Being made perfect He has
brought perfect salvation to all
those that believe."
