

People are not the  
Same after seeing Jesus  
Luke 19:11-9

Jesus entered Jericho  
but went on through. It  
is hard for some folk to  
resist the city - It draws  
them on Sunday - It  
draws them in the week.  
When they get able they  
move to it.

There was Zac-chae-us  
a rich man that got in-  
terested in Jesus. we  
criticise the rich but if  
they once see Jesus who  
He is - we find wana  
makers, Rockafellows,  
Dukes, and who else

using their great  
means for great good.

This man was high  
among his sect - Chief  
of the Publicans and  
rich -

He could not see  
Jesus for the press - so  
many people between  
him and Jesus.

There are rich men,  
capable men and women  
to-day who can't see  
Jesus because too many  
people stand between  
them.

He realized that if  
he saw Jesus he was  
going to be compelled  
to get along there.  
In this day you  
can be made there.

by the crowd if you  
do not watch out.  
But need this

that he might see  
Jesus.

He knew Jesus was  
coming that way  
you have the priority  
by placing your  
self where it is easier  
to see Jesus.

1. Sunday School
2. Church.
3. Amongst the needy
4. In hospitals

When he got into  
Parrish where he could  
see Jesus - Jesus saw  
him - This will al-  
ways happen -

Their eyes met  
and Jesus said "I must  
abide at thy house."

Zacchaeus had met  
the conditions that  
will bring Jesus home  
with us - Zacchaeus  
had received Jesus  
joyfully - He was  
therefore ready for  
Jesus to enter into  
him into his home.

The people criticized  
Jesus that he had gone  
to be guest of a sinner  
while they criticized

Zacchaeus was lu-  
ring around -

He was making  
a pledge to Jesus - It  
is remarkable that when  
we get real religion  
it opens our pocket  
books -

He was giving 1/2  
of his goods to feed  
the poor - and seeing  
Jesus face to face wrote  
in so much that he  
said "By I have taken  
anything from any  
body by false means  
I will pay it back  
four times."

you notice how  
the things happened.

1. { Zacchaeus had a  
desire to see Jesus

2. He overcame physical barriers so that he could be in position to see him.

3. Jesus saw him.

4. Jesus abode at his house.

5. He consecrated his wealth and straightened out his life.

These led to the 6th thing - Salvation came to that house.
