

I

How health con-
tributes to religion -

1. well man - is
he more religious

2. sick man. maybe
rebellious or feel
dependance on
God.

II

Jesus use of healing -
same instance

1

2

3 etc.

Was this primary or
secondary?

III

Have we not yet thought
of healing to-day as a
part or evidence of our
religion?

1. What of divine
healing?

2. Doctors and surgeons

IV

Our obligation to
eliminate those things
that impair health
