

Breaking the Unity of Life

Defeat comes from disunity
The last of life gets at loggerheads
with the first of life.

Morabear said, "O France the
sin of my youth keep me from
sinning you at this hour!"

In youth you fix your
destiny.

1. If you are careless in
your school work and get
no basis of knowledge that
thing will show up thru
life.
2. If you waste your time
in youth you will do same
when older.
3. One of the most wicked waste
is that of spiritual patrimony

Wasting your spiritual heri-
Tage.

Parents may lay up money and
a prodigal son waste it. This
is not half so bad as for parents
to build up spiritual wealth and
have a son or daughter destroy
it.

As you set I am bound to
think that that is the ideal of
your parents

Question. "Will you allow
the sacred fire that burnt on
the heart altars of your Xth
ancestry to turn to dull gray
ashes on your own cold, deso-
late heart?"

Old Prussia King Frederick
William lay dying and called
his son (afterward Frederick the
Great) saying, "If you lose any-
thing I have worn I will
laugh at you out of my grave!"
